

Theme & Scope

Green and Smart Ship and Engineering

- a) Green Technology Development in Maritime and Ocean Engineering
- b) Research, Development and Technology for New Energy Ships and New Concept Ships
- c) New Technology of Maritime Industry, including Shipboard Machinery
- d) Smart Ship Design, Manufacture, Navigation, Operation and Management
- e) Short Sea Shipping System and Inland Waterway Transportation
- f) Safety and Environment Protection at Sea
- g) Development of Shipping and Shipbuilding Industry
- h) Current Situation and Development of International Regulation
- i) Offshore Oil and Gas Production Facilities
- j) Renewable and Ocean Energy
- k) Arctic Engineering and Shipping
- l) Computer Application in Maritime Engineering
- m) Port Engineering and Management
- n) Maritime Education and Training
- o) Other Topics in Maritime Engineering

History

Pan Asian Association of Maritime Engineering Societies (PAAMES) was organized to attain the objectives of

- Promoting science and technology in maritime engineering,
- Supporting the development of maritime industry,
- Exchanging scientific information,
- Improving the status of maritime engineers, and
- Enhancing cooperation and collaboration among the member organizations in Asia-Pacific countries and regions.

The 1st PAAMES meeting was held in Shanghai, China from October 26-29, 2004 in conjunction with the 4th New S-Tech Conference. After the conference the International Standing Committee (ISC) of the 1st PAAMES decided to change the name of New-S Tech to Advanced Maritime Engineering Conference (AMEC) in order to widen the scope, and to strengthen the link with PAAMES. The 2nd PAAMES meeting and AMEC 2006 were held in Cheju National University in Jeju Island, Korea from October 18-20, 2006. The 3rd PAAMES meeting and AMEC 2008 were organized in Makuhari Messe, Chiba, Japan from October 20-22, 2008. The 4th PAAMES meeting and AMEC 2010 took place in National University of Singapore, Singapore from December 6-8, 2010. The 5th PAAMES and AMEC 2012 were hosted in the Evergreen International Convention Center, Taipei, Taiwan from December 10-12, 2012. The 6th PAAMES meeting and AMEC 2014 was held in Zhejiang Hotel, Hangzhou, China from October 28-30, 2014. The 7th PAAMES meeting and AMEC 2016 was held in The Hong Kong Jockey Club, Hong Kong, China from October 13-14, 2016.

The 8th PAAMES meeting and AMEC 2018 will be held in BEXCO, Busan, Korea, October 9~12, 2018. Theme for AMEC 2018 is “**Green and Smart Ship**”.

**2nd Announcement &
1st Call for Papers**

Hosted by
The Society of Naval Architects of Korea (SNAK)

Managed by
Pusan National University (PNU)

Sponsored by
Busan Metropolitan City
Korean Shipyards(TBD)

Supported by
The Korean Society of Marine Engineering (KOSME)
The Korean Society of Ocean Engineers (KSOE)

Participating Organizations

- The Society of Naval Architects of Korea (SNAK)
- The Chinese Society of Naval Architects and Marine Engineers (CSNAME)
- Fujian Society of Naval Architects and Ocean Engineers (FSNAME)
- The Hong Kong Institution of Engineers-Mechanical, Marine, Naval Architecture and Chemical Division (HKIE-MMNC)
- The Hong Kong Institute of Marine Technology (HKIMT)
- The Japan Society of Naval Architects and Ocean Engineers (JASNAOE)
- The Japan Institute of Marine Engineering (JIME)
- Japan Institute of Navigation (JIN)
- Jiangsu Society of Naval Architects and Marine Engineers (JSNAME)
- The Korean Society of Marine Engineering (KOSME)
- The Korean Society of Ocean Engineers (KSOE)
- North East Asia Division of the Institute of Marine Engineering, Science and Technology (NEAD of IMarEST)
- Russian Scientific and Technical Society of Shipbuilders (NTOS)
- Society of Naval Architects and Marine Engineers Singapore (SNAMES)
- The Society of Shipbuilding Engineering of Heilongjiang Province (SSEHP)
- The Shanghai Society of Naval Architects and Ocean Engineers (SSNAOE)
- Taiwan Society of Naval Architects and Marine Engineers (TSNAME)

Proceedings

The proceedings will be published in CD or USB, and booklet for abstracts will be available to all delegates at the conference.

Language

The conference will be conducted in English, and all papers must be written in English.

Awards

The Best Paper Award will be presented.
